

5. Sample Roof Crasher Lesson: Being a Roof Crasher, Part 2

Last week we brainstormed characteristics of the Roof Crashers. One of these was being loving. Let's talk about how we love people.

Ask: What are some ways we show love? Let the group respond.

Ask: What does the Bible say about love? Let the group respond. Some examples you might share are as follows:

- Ephesians 5: Love your wife
- 1 Corinthians 13: The love passage
- Matthew 22:37–40: The great commandment

One way we can love people is to include them in things that are good, such as inviting them to join us next week. Are there guys you know who should be a part of this group?
